

Perimeter Booths

Perimeter booths:

- ✓ An in-line booth backs onto an outside wall of the exhibit facility rather than onto another exhibit
- ✓ All guidelines for single/double in-line booths apply
- ✓ In special circumstances show management may permit perimeter exhibitors to have a **backwall of UP TO 10FT** (Please call show management by **Feb. 3rd 2012** for approval)
- ✓ **Note:** booth drape will only be set to 8ft
- ✓ **Suspended signs are NOT permitted** with this type of booth configuration
